Graduated with GPA of 3.38 out of 4.

Bachelors in Computer Science
Kathford Int'l College of Engineering & Management / Lalitpur / November, 2019 - Present
Ongoing.

+ PORTFOLIO

Fake News Detection
It was my group minor project in 3rd year. The project involves determining the news link or title is fake or not using LSTM and NLP. This brings the security to lots of fake and random news present all over social medias and internet.
